TEACHERS FEEDBACK ANALYSIS REPORT 2022-2023

The feedback data from 2022-23 indicates a generally positive perception across various aspects of the college. The general ambience has a high number of excellent and very good ratings, though there is a small but notable portion rating it poorly. Library resources are well-regarded, with the majority rating them as excellent or very good, though some still find them average or poor. The infrastructural facilities receive overwhelmingly positive feedback, with the highest number of excellent ratings and very few poor ratings. Support for field visits and projects is particularly praised, with the majority rating it excellent and very good, and minimal poor ratings. Curriculum enrichment activities are also favorably viewed, though there is a slight increase in average and poor ratings compared to previous years. The assessment of academic performance has a mix of opinions, with a good number of excellent ratings but also a significant portion rating it as poor or very poor. Overall, the data suggests strong satisfaction in infrastructure and support for field visits, while highlighting areas like academic assessments that may require further attention.

SIENA COLLEGE OF PROFESSIONAL STUDIES

(Affiliated to Mahatma Gandhi University, Kottayam, Kerala)

SUGGESTIONS

- Should implement effective feedback mechanism.
- Should renovate common areas and spaces in the campus for creativity enhancement.
- Should incorporate certificate course related to environment sustainability and human values.
- Should support students' participations in internships.

ACTION TAKEN REPORT

- It was decided to implement feedback mechanisms to gather input from stakeholders on how to further improve the college's ambience.
- The certificate courses titled Overview and perspectives of human values, Natural disaster management, Sustainable agriculture and food system was introduced as the part of curriculum to enrich environmental sustainability and human values.
- The institution supported internships, field visits and extension activities to promote critical thinking and real world application.

PARENTS FEEDBACK ANALYSIS REPORT 2022-2023

The survey results indicate a generally positive parental perception of the institution, with notable strengths and some areas for improvement. Communication with parents, information about children's progress, and the accessibility of teachers and staff are largely viewed favourably, with more excellent and very good ratings than poor or very poor ones. Safety concerns are effectively addressed, as reflected in the high ratings. The institution's curriculum and teaching methods are seen as meeting individual needs well, though there is some room for improvement. Handling of disciplinary matters is highly rated. Promotion of a positive and inclusive learning environment and addressing diversity and inclusion also receive favourable feedback, though a few parents' express dissatisfaction. Satisfaction with extracurricular activities is high, with most parents rating the offerings as excellent or very good. Overall, the institution performs well across most areas, with particular strength in safety and disciplinary handling, but should continue to enhance its inclusivity and curriculum to address the needs of all students.

SUGGESTIONS

- Establish anonymous reporting systems to allow students to report incidents of ragging without fear of retaliation.
- Should invite a diverse range of employers from various industries, including tech, finance, healthcare, and manufacturing, to participate in the placement drive.

ACTION TAKEN REPORT

- The management decided to keep up the good works in coming years and to eliminate ragging related activities from the campus.
- Conducted placement drive for passing out students.
- It was decided to conduct research-based seminars for the students.

ALUMNI FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2022-2023

The graph reflects the highest levels of satisfaction across all categories. The majority of alumni rated their career preparation, skills gained, and institutional support as excellent. Networking opportunities also saw a significant positive rating. The institution has successfully addressed many areas of concern from previous years, though it should continue to focus on the small percentage of alumni who remain dissatisfied.

SUGGESTIONS

- Internship and Experiential Learning: Strengthen partnerships with companies and organizations to provide more internship opportunities and hands-on experiences for students.
- Offer workshops and seminars on essential skills such as communication, problem-solving, teamwork, and leadership to prepare students for the workplace
- Offer regular mentorship sessions and check-ins to ensure ongoing support and guidance.

ACTION TAKEN

- Expanded career counseling services with personalized guidance sessions.
- Organized regular workshops on resume building, interview skills, job search strategies, and industry trends.
- Increased opportunities for practical training through internships.
- Implemented structured mentorship programs with regular sessions.

EMPLOYER FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2022-2023

The continued positive trend showcases the institution's success in addressing employer feedback and adapting its curriculum and training programs accordingly. The focus on practical experience, professional development, and communication skills has paid off. To maintain this trajectory, the institution should explore global partnerships and continuously update its curriculum to incorporate the latest industry trends and technologies.

SUGGESTIONS:

- Maintain the current strategies and continuously seek new areas for innovation.
- Keep enhancing extracurricular activities to support holistic development.
- Encourage participation in extracurricular activities, clubs, or student organizations that promote teamwork, collaboration, and networking.

ACTION TAKEN

- Offered communication skills workshops covering verbal and written communication, active listening, and conflict resolution.
- Incorporated internships into the curriculum to provide hands-on experience and exposure to workplace expectations.
