QUALITY POLICY

Quality Policy

To strive for excellence in all academic and co- curricular activities by ensuring continuous improvement in the entire operation of the institution by timely, efficient and progressive performance in all spheres with suitable interventions for quality. For this, the Management and the staff are committed to providing a holistic development of students through the participation of various stakeholders.

IQAC adopts mechanisms and measures for:

- Ensuring timely, efficient, and progressive performance of academic and administrative tasks.
- Optimization and integration of appropriate pedagogy and learning methods.
- Promoting Research and Development initiatives.
- Collaborating with industries and institutions for mutual benefit.
- Promoting extension and outreach activities.
- Ensuring the adequacy, maintenance, and proper allocation of support structure and services.
- Inculcating moral and ethical values among the students and staff.
- Propagate knowledge through constant skill enhancement and capacity building programmes.
- Ensuring the holistic functioning of the institution in accord with its vision and mission.
- Providing mechanism to all stakeholders for expressing their views and feedback.
- Equitable access to and affordability of academic programmes for various sections of society.
- Ensuring quality standards in propagating institutional values and best practices.

VISION OF IQAC

To assure quality standards by setting benchmarks and sustaining them for the holistic development of the institution.
