

About the Book

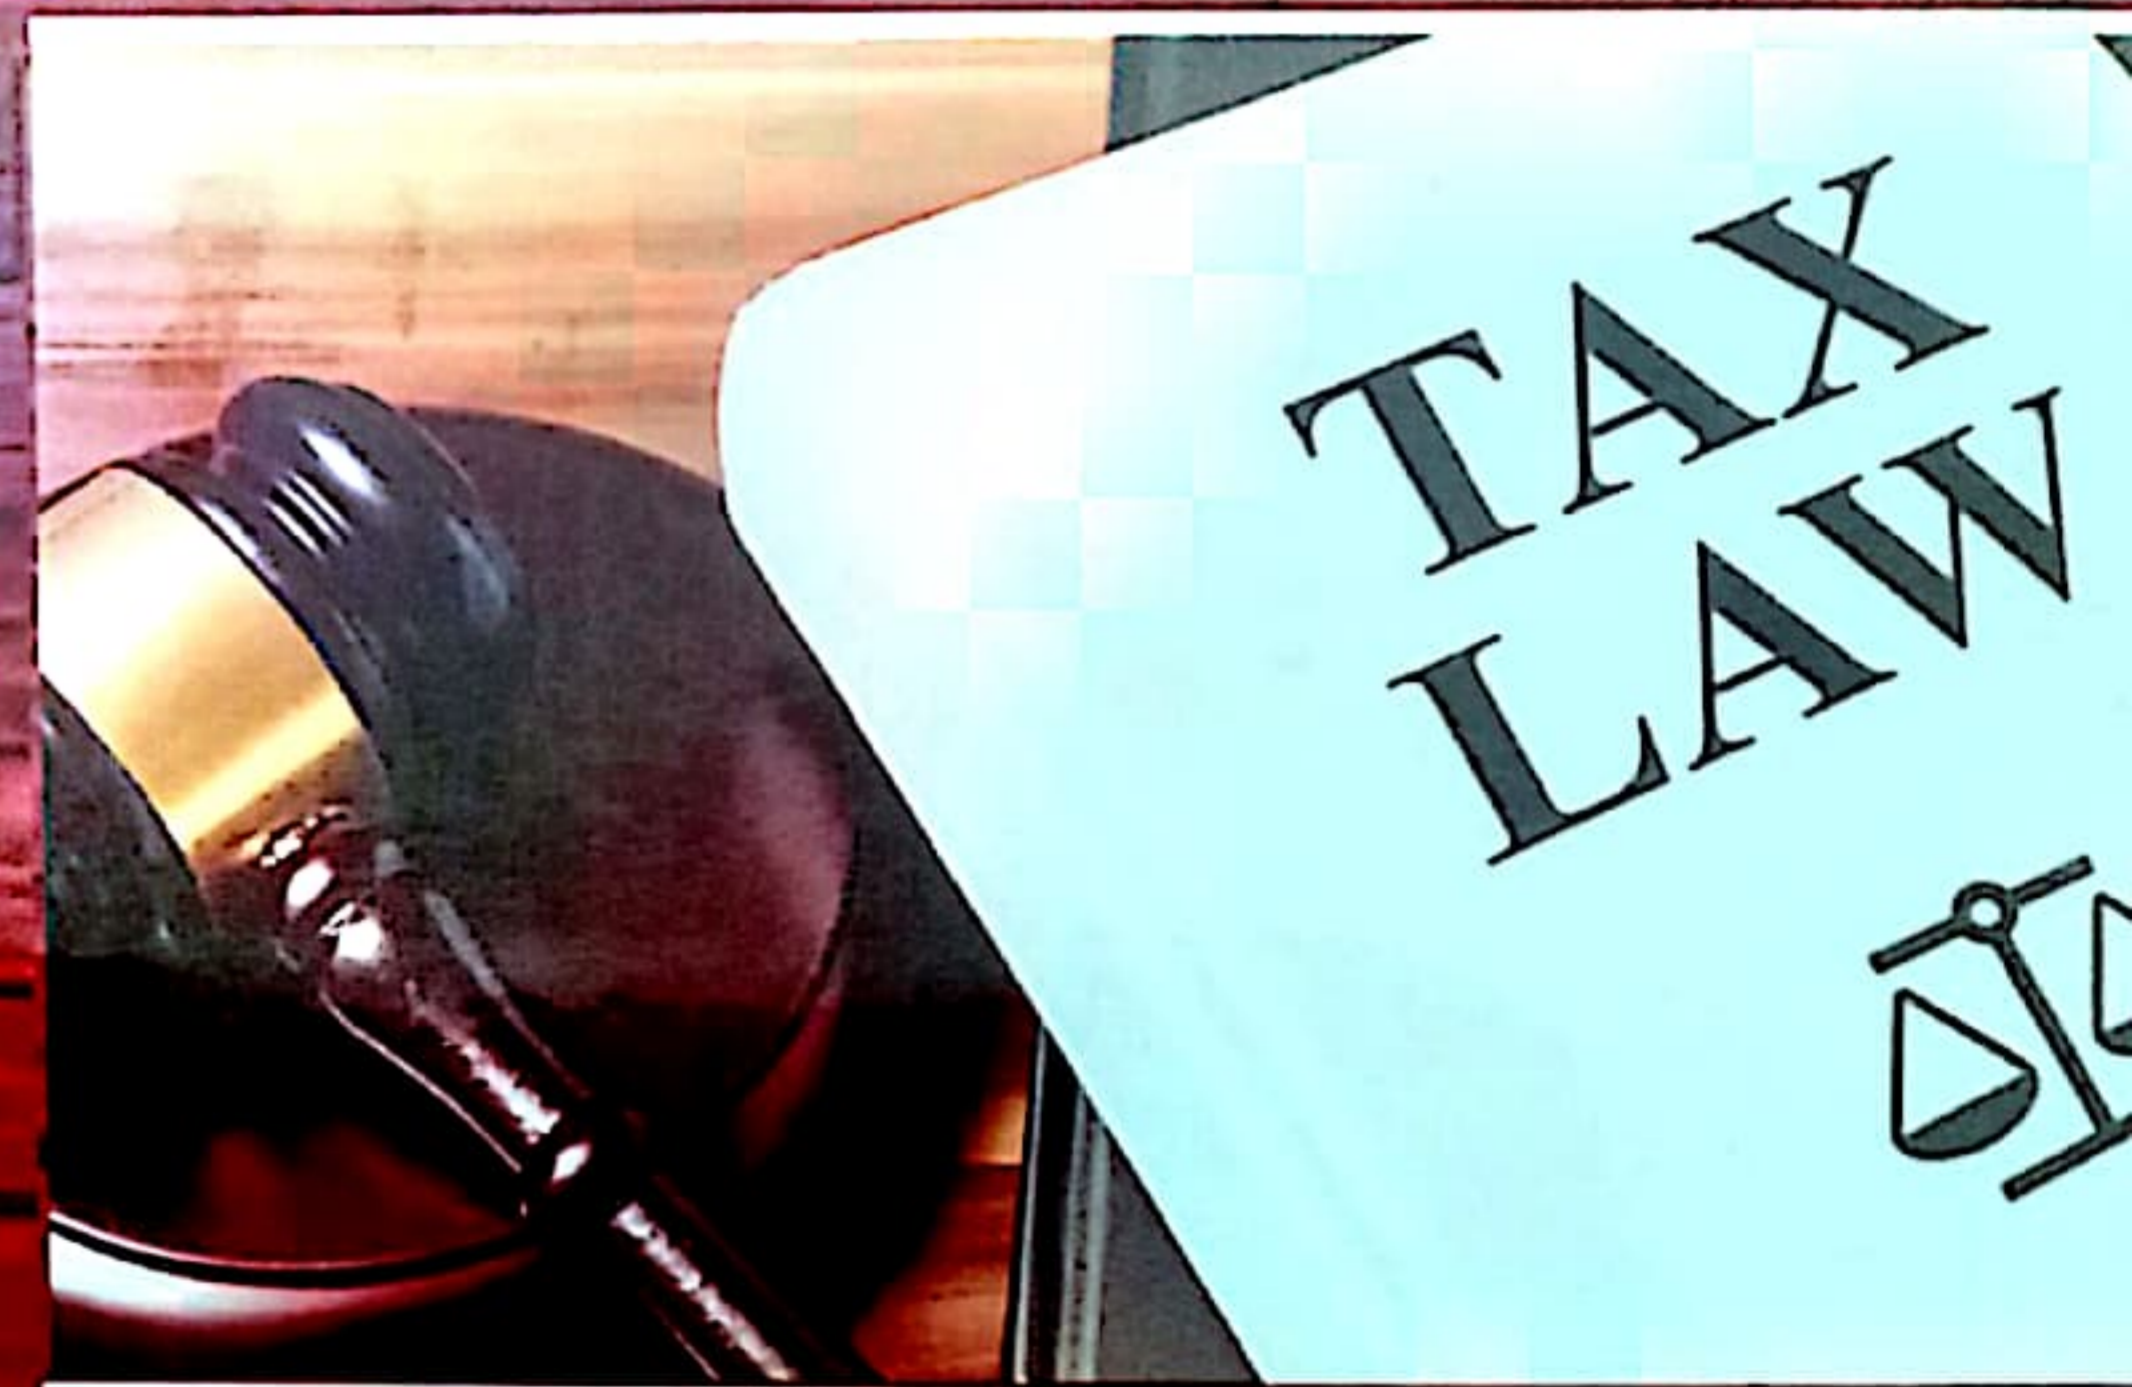

Taxation has a key role in shaping economic policy of the government. In a well developed country, structure. In the wake of fiscal reforms, the structure and procedures have been modernized and simplified. This book is prepared as per income tax act 1961, income tax rules 1962 and relevant finance act. It gives an outline material to discuss various provisions of income tax. Income tax is generally considered to be difficult subject. So special care has been taken to keep the language simple and explanation lucid. Each chapter is set according to the weightage given in the syllabus. Readers will find this book handler friendly.
